Coach Carmichael: Coach Carmichael spoke about the spring training trip to Myrtle Beach, SC next year. He would like to take an expanded roster and bring more players and play as many games as possible. These games will not count because they will be played before the season starts. Spring break is earlier next year Easter falls on 3/27. Coach would like to leave the evening of 3/27 around 9-10 pm and drive through the night...arrive and go straight to the field to play ball. The plan is to come home the following Friday. If you would like more information regarding the spring training trip, please contact Elaine Caraballo @ 703-3723.

Coach Carmichael put his wish list for new equipment for the team. The batting cage needs repair. The netting is damaged and worn. This will cost approximately \$2,000 for the re-netting. Also, the Coach is looking at putting turf in the cage for a cost of \$2,500. There was also a desire for 40 new jerseys for the varsity team. Cost would be approximately \$2,500. Parents have also expressed a desire for their player to keep their jersey. Coach Carmichael will look into companies that will accommodate.
